

From the Desk of
State Senator Leonidas P. Raptakis

November 7, 2018

Dear Friends,

Your support has brought our campaign over the top again.

We've had another great victory in Rhode Island for Senate District 33 and it means I will continue to keep fighting for my constituents and being a strong voice to promote our issues statewide, regionally, and nationally.

It's an honor to once again serve the people of my district, to bring a small business owner's perspective to the State House, striving to create a strong climate for economic growth and entrepreneurial activity. Fighting for open, honest, and transparent government is never easy, as entrenched special interests don't like to have the system challenged when they can get what they want making backroom deals and operating in the shadows.

That's why your support has made a world of difference and I look forward to continuing to get things done and make a difference in the new legislative session. Thank you for your friendship and for once again helping to make this important victory possible.

Sincerely,

Lou Raptakis
